## SUMMARY

Jacqueline is a Senior Associate at SAA with over 10 years of experience working on retail, commercial and hospitality projects. She has extensive international experience working for some of the world's top commercial brands. Her high visibility works include the Burberry flagship store in Beijing, Van Cleef & Arpels, Apple and Pedder Red, gaining valuable experience in managing multiple workflows and managing client engagements in the process.

She is currently attached to the Woodlands Health Campus project, where she leads the interior design team in space and furniture planning throughout the institution in coordination with other architectural and healthcare planning groups. She also leads the creation of ergonomic designs for residents, patients and healthcare professionals. Her technical precision and approachable style of leadership allows her team the creative freedom to achieve ambitious targets within effective time frames.
